- Current DFI experience at the National Empowerment Fund with direct relevance to IDC's mandate
- CA(SA) qualified with solid post-qualification experience
- Exposure to BEE transaction structuring and empowerment fund management
- Demonstrated interest in the development finance sector

Areas to Probe in Interview

- Relatively junior (5 years experience — minimum threshold)
- Limited DFI exposure (1 year at NEF) — depth of development finance knowledge
- Assess financial modelling proficiency and SAP familiarity

Interview Recommendation

Based on our assessment, we recommend all six (6) candidates proceed to interview. Should the hiring manager wish to reduce the interview pool, our priority recommendation would be **Candidates A, B, C, and D** (top 4) based on the combination of DFI exposure, seniority, and overall suitability scores.

Action Required: Please confirm your selected interview candidates by responding in the ShumelaHire platform or contacting the on-site Talent Acquisition Manager, David Nkosi, within 2 business days. Interview scheduling will commence immediately upon confirmation.
