Talent Acquisition Specialist Recommendations

Based on the response handling and pre-screening process, the following recommendations are made:

- Six (6) candidates have been shortlisted for interview based on alignment with mandatory and preferred criteria.
- The shortlisted pool is diverse and aligned with IDC's Employment Equity Plan targets.
- One candidate with disability has been shortlisted — recommend ensuring accessible interview arrangements.
- Two internal candidates are included, demonstrating the IDC's commitment to career development and succession planning.

- Interview scheduling is recommended within 5 business days to maintain candidate engagement.
